AGENDA ITEM NO. 9.1.

**STAFF REPORT
BOARD OF DIRECTORS MEETING
MEETING DATE: APRIL 1, 2022**

TO: Board of Directors
East Bay Regional Communications System Authority (EBRCSA)

FROM: Thomas McCarthy, Executive Director

SUBJECT: Continuation of AB 361 to Allow Teleconferenced Meeting.

RECOMMENDATIONS:

Staff recommends that the Board of Directors of the East Bay Regional Communications System Authority (“**Authority**”) adopt the proposed Resolution to continue conducting Board of Director and all other Authority Committee meetings remotely due to health and safety concerns for the public and making related findings in compliance with Assembly Bill 361 (2021) (“**AB 361**”) effective April 6, 2022 through May 5, 2022.

SUMMARY/DISCUSSION:

On March 4, 2020, Governor Newsom declared a State of Emergency to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the State address the broader spread of COVID-19.

On March 17, 2020, in response to the COVID-19 pandemic, Governor Newsom issued Executive Order N-29-20, which suspended certain provisions of the Ralph M. Brown Act (“**Brown Act**”) in order to allow local legislative bodies to conduct meetings telephonically or by other means. Additionally, the State implemented a shelter-in-place order, requiring all non-essential personnel to work from home.

The Board of Directors established virtual meetings. The virtual meetings have allowed the Board to continue to conduct its business from remote locations while ensuring the public’s continued access to government meetings in a safe manner.

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which among other things, rescinded certain clauses of Executive Order N-29-20 after September 30, 2021, including clauses that suspended certain provisions of the Brown Act. Thus, effective October 1, 2021, agencies would have had to transition back to in person public meetings. Since the Governor issued Executive Order N-08-21, the highly contagious Delta variant has emerged, causing a spike in cases throughout the state and within Alameda and Contra Costa Counties.

On August 2, 2021 the Alameda and Contra Costa County Health Officers issued Public Health Orders requiring all individuals in both Counties, regardless of vaccination status, to wear face coverings in all indoor public settings and businesses for the control of COVID-19. These August 2, 2021 Public Health Officer Orders will be in effect until rescinded, superseded or amended.

On September 16, 2021, Governor Newsom signed AB 361, which was an urgency measure that became effective on October 1, 2021, and it allows a local agency to use teleconferencing for public meetings during a Governor-proclaimed state of emergency as long as the legislative body adopts findings every 30 days that: 1) meeting in person would present imminent risks to the health or safety of attendees as a result of the emergency; or 2) state or local officials have imposed or recommended measures to promote social distancing.

In such circumstances, a legislative body is not required to make available a physical location from which members of the public may observe the meeting and offer public comment or required to have a quorum of the members of the legislative body participate from locations within the boundaries of the agency's jurisdiction in the following circumstances:

- The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.
- The legislative body holds a meeting during a proclaimed state of emergency to determine, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or
- The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

The legislative body must make certain findings by majority vote every 30 days to continue using AB 361's teleconferencing requirements.

An additional provision of AB 361 states that, in the event of a disruption within the local agency's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the legislative body is prohibited from taking any further action on items appearing on the meeting agenda until public access to the meeting via the call-in or internet-based options is restored.

These new provisions are only operative until January 1, 2024, at which point they are repealed, and the prior Brown Act teleconferencing requirements become effective again.

The California Department of Public Health (CDPH) and the Federal Centers for Disease Control and Prevention (CDC) caution that the Delta Variant of COVID-19, is more transmissible than prior variants of the virus, may cause more severe illness, and even fully

vaccinated individuals can spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations.

The Authority meets the requirements to continue holding meetings remotely in order to ensure the health and safety of the public:

- The Governor has declared a State of Emergency related to the COVID-19 pandemic; and
- County Health Orders require that individuals in indoor public spaces wear masks and the CDC recommends social distancing of at least six feet due to COVID-19; and
- The Delta variant of COVID-19 has resulted in a significant increase of COVID-19 cases within the state and throughout Alameda and Contra Costa Counties.

Thus, meeting in person for Board and Authority Committee meetings would present imminent risks to the health and safety of attendees, the Board and staff. In the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, Authority staff recommends invoking the provisions of Assembly Bill 361 related to teleconferencing.

The Board must make its own determination and findings, no later than 30 days after the adoption of this initial Resolution, in order to continue holding teleconferenced meetings in accordance with AB 361. At this time, Staff intends to schedule special Board meetings every 30 days, if necessary, to consider adoption of similar findings in the future.

FINANCIAL IMPACT:

None.

COMMITTEE ACTION:

Because both the Finance and Operations Committees met prior to the December 3, 2021 Regular Board meeting, each Committee was required to adopt its own AB 361 findings in order to meet remotely and they have done so. However, the Board had the authority to adopt a Resolution, and any future AB 361 findings, on behalf of itself and the other legislative bodies of the Authority, and adopted Resolution No. 21-06 Authorizing Teleconference Meetings Pursuant to Assembly Bill December 3, 2021 through January 3, 2022, Resolution No. 21-14 Authorizing Teleconference Meetings Pursuant to Assembly Bill January 4, 2022 through February 4, 2022, Resolution No. 22-01 Authorizing Teleconference Meetings Pursuant to Assembly Bill February 5, 2022 through March 6, 2022, and Resolution No. 22-02 Authorizing Teleconference Meetings Pursuant to Assembly Bill March 7, 2022 through April 5, 2022.

RECOMMENDED ACTION:

It is recommended that the Board of Directors adopt the proposed Resolution to continue conducting Board of Director and all other Authority Committee meetings remotely due to health and safety concerns for the public and making related findings in compliance with AB 361 effective April 6, 2022 through May 5, 2022.

THE EAST BAY REGIONAL COMMUNICATIONS SYSTEM AUTHORITY**

EFFECTIVE APRIL 6, 2022 THROUGH MAY 5, 2022**

WHEREAS, on March 4, 2020, Governor Gavin Newsom proclaimed the existence of a state of emergency in California under the California Emergency Services Act, Government Code section 8550 et seq. (Declaration); and

WHEREAS, on March 17, 2020, Governor Gavin Newsom issued Executive order N-29-20 (Executive Order), which suspended the teleconferencing rules set forth in California Open Meeting law, the Ralph M. Brown Act (California Government Code §§ 54950 – 54963), provided certain requirements were met and followed; and

WHEREAS, on June 11, 2021, Governor Gavin Newsom issued Executive Order N-08- 21, which clarified the suspension of the teleconferencing rules set forth in the Ralph M. Brown Act and further provided that those provisions would remain suspended through September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Gavin Newsom signed Assembly Bill 361, which provides that under Government Code section 54953(e), a legislative body subject to the Ralph M. Brown Act may continue to meet using teleconferencing without complying with the non-emergency teleconferencing rules in Government Code section 54953(b)(3) if a proclaimed state of emergency exists and state or local officials have imposed or recommended measures to promote social distancing; and

WHEREAS, such conditions exist in the East Bay Regional Communications System Authority (EBRCSA) jurisdiction. In addition to the Governor’s Declaration, both the Alameda and Contra Costa County Health Officers have issued numerous Health Orders regarding safety protocols during the COVID-19 pandemic. In particular, on August 2, 2021, both the Contra Costa County and Alameda County Health Officers issued an Order requiring all individuals in the County, regardless of vaccination status, to wear face coverings in all indoor public settings and businesses for the control of COVID-19. These Public Health Officer Orders will be in effect until rescinded, superseded or amended; and

WHEREAS, The California Department of Public Health (CDPH) and the Federal Centers for Disease Control and Prevention (CDC) caution that the Delta Variant of COVID-19, is more transmissible than prior variants of the virus, may cause more severe illness, and even fully vaccinated individuals can spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations; and

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, EBRCSA intends to invoke the provisions of Assembly Bill 361 related to teleconferencing in the manner authorized by Government Code § 54953(e), and such legislative body shall comply with the requirements to provide the public with access to the meetings as prescribed in Government Code § 54953(e)(2); and

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of East Bay Regional Communications System Authority as follows:

1. The Recitals set forth above are true and correct and are incorporated herein by reference.

2. In compliance with AB 361 (2021), and in order to continue to conduct teleconference meetings without complying with the usual teleconference meeting requirements of the Ralph M. Brown Act, the Board of Directors makes the following findings:
 - a. The Board of Directors has considered the circumstances of the state of emergency; and
 - b. The state of emergency, as declared by the Governor, continues to directly impact the ability of the Board of Directors, including EBRCSA’s legislative bodies and staff, as well as staff and members of the public, from meeting safely in person; and
 - c. The CDC, Alameda and Contra Costa Counties Departments of Public Health continue to recommend physical distancing of at least six feet due to COVID-19 and as a result of the presence of COVID-19 and the Delta variant, meeting in person would present imminent risks to the health or safety of attendees, the legislative bodies and staff.
3. The Board of Directors and EBRCSA’s legislative bodies may continue to meet remotely in compliance with AB 361, in order to better ensure the health and safety of the public and staff in accordance with the provisions of Government Code section 54953(e).
4. The Board of Directors will revisit the need to conduct meetings remotely within 30 days of the adoption of this resolution.
5. Staff is authorized and directed to take all actions necessary to implement the intent and purpose of this resolution, including conducting open and public meetings in accordance with Government Code section 54953(e) and all other application provisions of the Ralph M. Brown Act; and
6. Staff is directed to return no later than 30 days after this resolution is adopted with an item for the Board of Directors of East Bay Regional Communications System Authority to consider whether to continue meeting under the provisions of Assembly Bill 361.
